Thank you,

Your food bank has done a great job by supping us with a big load of summer clothing for our mission trip to Cuba January 4, 2014.

We are glad to help Cuba in any way we can and you food bank has giving us what we needed to fill the rest of the 20 suitcases of 50lb each.

Cuba sends lots of hug's and kisses to your food bank.

Also thank you for the abundance of vegetables that we received last year 2013. We share all the vegetables with three other churches and Our congregation send a BIG Thank You.

Working for Our Lord is Always a Great Filling, Like the word says The righteous shall never be removed: Proverbs 10:32

We are the salt of this world, the blessing of our God are abundance to who ever is in him.

Our mission trip to Cuba open more doors to serve Cuba.

This year 2014 will be going to Cuba for two weeks first week Youth conference for three days and Ladies conference for three days and in between the two weeks we are visiting several churches.

Please we are asking for your prayers for this event. We need the grace of God and his will, to establish everything that we would like to do.

Hope your food bank continue to see the need in Cuba.

May God always be with your vision.
