Dear Dennis

August 25, 2013

On behalf of the Board of Directors and staff of the Welcome Centre Shelter for Women, I would like to thank you for your generous donation of PEPPERS AND BACKPACKS WITH SCHOOL SUPPLIES to the Centre. We are so proud of the important work being accomplished by the women residing at the Centre, and we are grateful for the ongoing support shown by socially conscious community members who share our vision of a poverty-free Windsor-Essex.

The summer months are coming to a close soon, and for the Centre this means preparing for another season of students to assist within the shelter program in providing advocacy and referral supports to women. In addition, we welcome several new staff to the shelter program, along with our new volunteer coordinator Angela Yakonich! If you are interested in information on volunteer opportunities please contact Angela at volunteer@welcomecentreshelter.com.

Hard to believe another summer is closing, but what a wonderful one it was! We hope you had time with family and friends, and will continue to think of the Centre as we move into Fall. Thank-you again, and don't forget to check us out on Facebook and Twitter.

Yours in Friendship,
